

What We Do

- **LAW ENFORCEMENT TRAINING & PROFESSIONAL DEVELOPMENT**

Providing creative and original training content utilizing technology and 21st century pedagogy training concepts that places the utmost importance on capturing and expanding the cognitive capabilities of the modern-day law enforcement officer.

- **ORGANIZATIONAL STRATEGY REDESIGN**

Providing strategies through assessment protocols and analytical processes to achieve strategic priorities such as operations optimization, improving decision making, accountability, organizational performance, morale, culture, retention, and recruitment.

- **LAW ENFORCEMENT PROMOTIONAL TESTING AND ASSESSMENTS**

Providing customized and legally defensible promotional exams and assessments specifically designed to help law enforcement agencies make informed promotional decisions by identifying and selecting personnel best qualified for leadership roles, from frontline officers and supervisors to executive level management.

- **KEYNOTE SPEAKING ENGAGEMENTS**

Providing keynote speeches to help organizations engage, motivate, empower and inspire their teams.

SIMPLE AND ATTAINABLE SOLUTIONS THAT WORK FOR YOUR ORGANIZATION

Innovative Policing Solutions is an organizational and professional development firm specializing in providing strategies, spreading and sharing ideas that promote innovation, leadership, and accountability in policing. Our organization is changing the narrative and status quo in the policing space. Officers and communities are asking for change, and IPS provides that change. Through industry best practices, academic research, and innovative strategies, IPS is the change agent for 21st-century law enforcement.
